

COASTAL CALLIGRAPHERS GUILD

SCHOLARSHIP MISSION STATEMENT

To promote the study and practice of calligraphy as a craft and art form; to encourage individual competence; and to foster a wider appreciation and understanding of calligraphy through sharing of ideas and techniques.

ELIGIBILITY

Any current active member in good standing for at least the past two years may apply. Individuals may be eligible to receive a scholarship only once every five (5) years.

ASSESSMENT

Applications will be assessed by a CCG Scholarship Committee of at least three. All decisions will be final.

APPLICATION

All applicants will be asked to describe in detail as much as possible how they intend to use the scholarship, indicate how this scholarship will benefit CCG, and how they plan to reciprocate in the form of a guild activity. They will be required within one (1) year to reciprocate in some way to the Coastal Calligraphers Guild (Examples: provide a monthly guild program on the content of their studies, an in-depth article in the CCG Newsletter, a youth outreach program in a local library or a school, etc.). All applications need to be submitted no later than May 1st of the membership year.

AWARD

Up to a total of \$500 will be awarded annually - the number of recipients and level of scholarship for each recipient will be determined upon review of all applications. Annual scholarship awards may be used for tuition only - any class fees, travel expenses, and room and board are the responsibility of the award recipient. Unused awards will be carried over into the following membership year. The award recipient/s will be reimbursed after the class/workshop has been completed and proof of payment. The presiding CCG President will award the scholarship/s at the General Meeting in June.

FUNDING

Monies for funding the scholarships will be determined by \$10 from each yearly paid membership and from raffles and other special drawings. The CCG Treasurer will set up a Scholarship Account.
