

# “26 THINGS TO DO WITH THE ALPHABET”

with  
Internationally Acclaimed Artist  
Cherryl Moote

February 6, 7, 8, 9, 2018  
(Tuesday, Wednesday, Thursday & Friday)  
9:00 am to 4:00 pm  
DaySpring Retreat Center, Bradenton

This workshop will be limited to 12 students and there will be a nominal materials fee.

Letters can be used in a myriad of ways and in this workshop we will explore at least 26 of them! This is a guided tour through the wonderful world of calligraphic peripherals. Keeping ourselves firmly grounded in letters we will try experiments with writing tools, writing mediums, writing surfaces and a plethora of art and craft techniques.

We will try bookbinding, card making, drawing, practice techniques (yes, practicing), sculpting, pop-up, silhouetting, cutting, frottage, mail art, applique, quilting, collage, chine colie, pouchoir, carving, bargello, aging . . . all of the techniques you have been dying to try but never had the time, space or materials to do before. You will learn so many things to do with an alphabet and so much about tools and materials that the years ahead will be filled to overflowing with good ideas to explore.
